

FAMILY PLAY AND FESTIVAL LOOP

2 Day Itinerary – Parks, Nature & Events

For a family getaway close to Perth, Waroona makes an easy escape. The town has plenty to keep the kids happy, from freshly baked treats at the famous Pinjarra Bakery in Waroona, to quality time at the family-friendly award winning "Great Place" Railside Park – just look for the giant windmill! Designed for all ages, the park features a tall tube slide, Dethridge wheel water-play, Noongar six seasons garden, a fenced and gated toddler area complete with a beautiful timber truck, plus the Waroona pump track and skate park for bigger kids. With a shady picnic area, it's easy to spend a fun few hours here.

Time your visit with one of Waroona's spring events and turn your family getaway into a weekend to remember. Celebrate 10 years of Waroona Troutfest, enjoy all the colour and entertainment of the Waroona Agricultural Show, discover Waroona's spectacular night skies at the Star Tracks Astrotourism Event, or experience the inaugural Charla Downs Waroona Rodeo, with rodeo action followed by live music and country entertainment into the night.
