

4WD ADVENTURE LOOP

2 Day Itinerary – Nanga, Lane Poole Reserve & Preston Beach

Hop in the 4WD to explore the highlights of the Waroona region via a challenging off-road track. Head east towards Nanga for bushland thrills at [Treetops Adventure](#).

Tackle the famous 40km Captain Fawcett Track. The rugged track winds along old train embankments, through lush forest, over river crossings and challenging rocky terrain. Along the way, there are plenty of reasons to pause: take a swim in the Murray River, enjoy a shady picnic or wander along the walking trails.

Loop back towards Waroona through the rolling farmland of Harvey and Wokalup. Spend the evening fishing at [Waroona Dam](#) or head into town for dinner at [The Rec Hotel](#) or [Drakesbrook Hotel Motel](#) before settling in for the night at a holiday park or cosy country cottage.

The following morning, make the 30-minute drive across to [Preston Beach](#) for a coastal 4WD experience and another taste of adventure before returning home.
