

FRESHWATER ADVENTURE LOOP

2 Day Itinerary – Waroona Dam & Forest Trails

Love adrenaline-pumping water sports? Waroona Dam is the go-to destination for freshwater skiing and boating close to Perth. Also known as Lake Navarino, the dam is found just a short 10-minute drive from town, hidden in the forest-covered hills. Here, adventure lovers can spend the day water skiing, jet skiing, paddleboarding, kayaking and freshwater fishing – simply BYO boat.

Back in town, Waroona's laid-back country hospitality shines at local favourites The Rec Hotel (Waroona Hotel) or Drakesbrook Hotel Motel. Stay in the town overnight, or settle in at a local farm stay, cosy cottage or budget-friendly holiday park.

The following day, soak up nature with a wander on a forest trail around Waroona Dam, or explore on horseback with a trot through the jarrah forest with Langford Hill Riding Farm.
